

AIM North America Logo Guidelines

The AIM logo comprises the AIM graphic and the AIM tagline “Association for Automatic Identification and Mobility”. Do not separate or recreate the elements at any time. Always reproduce the complete logo from the electronic artwork provided.

1. All parts of the logo must be used at all times
2. Only proportional manipulation of the logo is permitted
3. No other typeface is to be substituted for the tagline
4. The AIM logo is not trademarked at this time. Legal action is pending

Logo Colors

Blue PMS 286

Green PMS 361

Versions

There is two versions of the AIM North America logo.

**Association for Automatic
Identification and Mobility**

Member of AIM North America Logo

If your company is a member of AIM North America, you are encouraged to use the following image on printed or electronic material such as letterhead, business cards, electronic communications and web pages. AIM does not permit the use of the AIM Member Logo to suggest that AIM endorses a specific product or service.

**Association for Automatic
Identification and Mobility**
